

Pershing CLC is a fun and convenient program for children in the hours before and after school. Children are supervised by positive adult role models who focus on developing YMCA character values.

Caring * Honesty Respect * Responsibility

We strive to provide a safe, fun and happy environment for elementary school children by providing a wide variety of age-appropriate activities to promote self-confidence, cooperation, and team-building skills. Activities include:

- **Homework assistance**
- **Arts and Creative Projects**
- **Games & Gym Time**
- **Outdoor Play**

And Much More!

Health and Safety

The safety of participants is our top priority. Our programs are carefully supervised, and meet state licensing standards. YMCA staff are certified in CPR and First Aid. Each child must provide his/her own health and accident insurance. All health and emergency information must be received before your child may begin attending the program.
