YMCA Personal Pricing/Financial Assistance

The Y believes that a healthier lifestyle should be available to every family, every person and every budget. That's why we offer an income-based fee scale called Personal Pricing. Personal Pricing is provided for membership and programming based on an applicant's ability to pay and the Y's ability to fund. Your Personal Pricing rate is determined by your income level and family size. Personal Pricing provides affordable monthly membership rates for:

- Families of three or more with annual incomes under \$50,000
- Families of two or more with annual incomes under \$45,000
- Individual adults with an annual income under \$40,000
