

November 26, 2007

DURING THIS TIME OF THANKS, YOUR GIFT TODAY CARRIES MEANING FOR TOMORROW.

The YMCA Heritage Club is a way for a gift donated today to have meaning into the future. It can provide perpetual support for the mission and programs of the Lincoln YMCA.

Estate planning provides a vehicle for permanent funding, assuring opportunity for today's children and families ---- and generations to come.

Gifts can be designated for general operating expenses or for specific interests such as camping, youth sports, child care or even afterschool programs. Gifts can also be earmarked for specific program areas that are of greatest interest to you. As an example, a gift could target ongoing support for afterschool programs for low-income children.

Following in the footsteps of others who are making the YMCA a part of their estate planning process, families, individuals and couples can assure future support for the YMCA by way of a number of planned giving vehicles.

Some of these include:

- Endowments
- Bequests/Wills
- Life insurance
- Trusts/Charitable Remainder Trusts/Annuities
- Others of your choosing

If you're interested in exploring how you may add your name to the YMCA list of supportive friends, contact us at metro@ymcalincoln.org or call 402.434.9213 or visit with your financial planner.

Best Regards,

Barbara A. Bettin
President/CEO
YMCA of Lincoln, Nebraska
